

# Anodyne, Carnot Engine

'Just let go'  
I tell myself  
I crossed that line  
Too many times  
Bodies Lie  
Bodies Lies  
I found a secret  
Deep inside you  
Deep inside you  
It won't work out  
It won't work out  
I play the reruns in my mind  
Every night  
I read you diary  
In the Top drawer  
Next to your bed  
You lie awake at night  
I know what's on your mind
