

Anodyne, Zero World

Yesterdays are gone
It's a dead summer night
Alone in the heat
My heart is on fire
I'm in your shadow
By design
The truth is a curse
The truth burns me clean
What's in a lie?
Too many strings
Tied around my heart
'I don't want to do this anymore'
Your words cut like diamonds
Diamond blades across my heart
Tonight I can't make the ends meet
Tonight I'll embrace my fears
Tonight I stare at these walls
Tonight I wish I was never born
