

ANOHNI, CRISIS

Crisis

If I killed your father with a drone bomb
How would you feel?

Crisis

If I killed your mother with a drone bomb
How would you feel?

Father

If I killed your children with a drone bomb
How would you feel?

Crisis

If I tortured your brother in Guantanamo
I'm Sorry

Now you're cutting heads off
Innocent people on TV

Daughter

If I filled up your mass graves
And attacked your countries under false premise
I'm sorry
