Crisis

If I killed your father with a drone bomb  
How would you feel?

Crisis

If I killed your mother with a drone bomb  
How would you feel?

Father

If I killed your children with a drone bomb  
How would you feel?

Crisis

If I tortured your brother in Guantanamo  
I'm Sorry

Now you're cutting heads off  
Innocent people on TV

Daughter

If I filled up your mass graves  
And attacked your countries under false premise  
I'm sorry
