

# Anointed, Revive Us (Urban Remix)

Oh yeah, come on Dad  
So what you say now  
Ready or not, change is comin'  
Can you feel the spirit risin' in you?  
Has it been awhile  
Since you've felt the fire and passion and joy anew?  
Are you ready for a revelation?  
We all know that there is so much more  
We're in need of His inspiration  
Can't wait another day, I gotta have it right away  
Revive us again, revive us again  
Restore the joy of our salvation  
Revive us again  
Revive us again, revive us again  
Restore the joy of our salvation  
Revive us again  
Love is alive and exciting  
If we only let it take control  
Drink from the fountain, it's so inviting  
It will strengthen and refresh your soul  
Are you ready for a revelation?  
'Cause we're determined to see it through  
We're in need of His inspiration  
'Cause you know His name is Jesus  
He is the one to free us  
Revive us again, revive us again  
Restore the joy of our salvation  
Revive us again  
Revive us again, revive us again  
Restore the joy of our salvation  
Revive us again  
Come on, revive us, [Incomprehensible]  
Well, holy God shower will rain down on me  
I've been drift by your spirit, just sit  
If you would [Incomprehensible], no joke I'd be killed  
Would you bet on anything I desire?  
Take back my fire, take me a little higher  
Mama [Incomprehensible], you're my brother, my friend  
Like a rush you can revive us again  
Are you ready for a revelation?  
We're determined to see it through  
We're in need of His inspiration  
You know His name is Jesus  
He is the one to free us  
Revive us again, revive us again  
Restore the joy of our salvation  
Revive us again  
Revive us again, revive us again  
Restore the joy of our salvation  
Revive us again  
Revive us, revive us  
Revive us again, revive us  
Revive us again, revive us again  
Restore the joy of our salvation  
Revive us again, revive us  
Revive us, revive, revive us
