

# Anointed, You'll Never Thirst

You'll never find her story in a fairy tale  
'Cause she was unlike, the other women at the well  
Her life was full of pain, hurt, rejection  
Her loneliness she didn't want to show  
But Jesus saw the desert in her soul

Chorus:  
Drink from this water  
Drink from this water  
And you will never, you'll never thirst again  
Drink from this water  
Drink from this water  
You will never, you'll never thirst again

Ooooh  
We all search for something  
To fill us up inside  
But it's only an illusion  
You know a True Love's hard to find  
But I'm here to tell you there's one place  
Your thirst is quenched for ever more  
You will never leave empty disappointed  
You will find what you are longing for

Chorus

And oh Jesus will meet you  
At the place of every need  
And only He can make the wounded whole  
And make the blind man see
