

Anoop Desai, Always On My Mind

Maybe I didn't love you quite as often as I could have
Maybe I didn't treat you quite as good as I should have
If I made you feel second best, girl I'm sorry I was blind
But you are always on my mind, you are always on my mind
Maybe I didn't hold you all those lonely, lonely time
And I guess I never told you I'm so happy that you are mine
Little things I should have said and done I just never took the time
You are always on my mind, you are always on my mind
Tell me, tell me that your sweet love hasn't died
And give me, give me one more chance
To keep you satisfied, I'll keep you satisfied
'Cause you are always, always on my mind
The little thing I should have said and done I just never took the time
But you are always on my mind, you are always on my mine
And tell me, tell me that your sweet love hasn't died
And give me, give me one more chance
To keep you satisfied and I'll keep you satisfied
You are always on my mind
