Another Bad Creation, Iesha

lesha, lesha so glad to meetcha<br /&gt;

See you in the schoolyard strollin' wit' your techa<br /&gt;

The lil' skirt you played was really fly<br /&gt;

She turned around and she winked her eye<br /&gt;

<br /&gt;

So I stepped to her like I knew her<br /&gt;

The Biv is cool but Romell is cooler<br /&gt;

The bell rang 'cuz I started to talk<br /&gt;

Yet the class is not there no more<br /&gt;

<br /&gt;

(Yo Red, where'd you meet her?)<br /&gt;

At the playground, ya know, that's where I saw this cutie<br /&gt;

This girl was swingin' and she looked so fly<br /&gt;

On the monkey bars, we climbed up to the top and<br /&gt;

She touched my hand that's when I fell in love<br /&gt;

<br /&gt;

lesha, you are the girl that I neva had<br /&gt;

And I want to get to know you bettah<br /&gt;

lesha, you know I want you so bad<br /&gt;

And there's nothing anyone can do<br /&gt;

To keep me away from you<br /&gt;

<br /&gt;

Yo Dallas man these five young boys<br /&gt;

Out of Atlanta GA are a real adventure<br /&gt;

They kinda like remind me of me and my boys<br /&gt;

New Edition, know what I'm sayin'<br /&gt;

<br /&gt;

So all you people out there ridin' in your cars<br /&gt;

Listenin' to the radio station<br /&gt;

Or coolin' back in the living room watchin' this here video<br /&gt;

Ay yo peep the 2nd verse<br /&gt;

<br /&gt;

We played Nintendo, this was her very first date<br /&gt;

I didn't wanna make it seem to fly, we ate cereal<br /&qt;

She couldn't stay out at late<br /&gt;

Her mother told her to be home at nine<br /&qt;

<br /&qt;

lesha, you are the girl that I neva had<br /&gt;

And I want to get to know you bettah<br /&gt;

lesha, you know I want you so bad<br /&gt;

And there's nothing anyone can do<br /&gt;

To keep me away from you<br /&gt;

<br /&gt;

Chris, Mark, Red, Da, Ro<br /&qt;

Chris, Mark, Red, Da, Ro<br /&qt;

<br /&qt;

Yo Ro you might sound to sure so wutcha gonna do?<br /&qt;

I dunno Da, I only got one more rap&It;br />

And I'm gonna see what happens<br /&gt;

<br /&gt;

Threw down my books went up to the door<br /&gt;

Pressed the bell what was in store?<br /&gt;

lesha came out with a smile<br /&gt;

(Oh no)<br /&gt;

<br /&qt;

She ain't worth the while<br /&qt;

So I passed her a lolli pop and a letter<br /&gt;

Told her so let's keep this a secret<br /&gt;

No remember lesha, only you can keep this, peace
