

Another Level, I Like The Way (The Kissing Game)

Another level baby,
With another one
I just like the way we uh..
Play that kissing game
Something about the way you uh..
I like your tongue
The way you touch me
The way you tease me
The way you freak me
And most of all, the way you kiss me

Verse 1

All summer long,
We've been together
And I've never felt so good
Cos when i'm with you
It's such a good time
Yes it is
And when you get next to me
You make my heart beat fast
You threw me bak with our smile
Cos when we're alone
I know we're in love
Cos i can't get enough

Chorus x 2

(I like the way)
You kiss me when we're playing that kissing game
(I like the way)
You keep me looking forward to another day

Verse 2

We got it good
We have it all it seems, we are living dreams
(yeh)
This is our time
Cos we were meant to be
Just you and me
This is still new
We're still young at heart
And break in two
But I know or love
Will always be there

Chorus

Bridge x 2

Everytime i think about the way that you do me babe
I like th way that you do me babe
Everytime i think about the things that you do to me
I like the thngs that you do to me

Chorus
