

# Another Level, We'll Meet Again

We'll be together again  
We'll be the same as back hen  
I am the love that you were looking for  
I'm telling you baby  
We'll me once more  
The first time I saw you babe  
You knocked me off my feet  
It must have been the curiosity  
That cupid threw you eyes to me  
You were giving me a hard time  
And then with your games I could  
It would take for ever babe  
Till you let me get my game to you  
No sense in your friends  
Wana get rid of me  
What's it gona me  
It's too late hear say  
Menacing rumors and you slipped away  
We'll be together again  
We'll be the same as back hen  
I am the love that you were looking for  
I'm telling you baby  
We'll me once more  
Tell me what your doing now  
And what you like before you sleep  
Once more will do you right  
And that is a promise I intend to keep  
So tell me do you have a boyfriend  
And would he ever let you go  
The thought of it is killing me  
Baby get on the phone 'cause I have to know  
No sense in your friends  
Wana get rid of me  
What's it gona me  
It's too late hear say  
Menacing rumors and you slipped away  
We'll be together again  
We'll be the same as back hen  
I am the love that you were looking for  
I'm telling you baby  
We'll me once more  
Show me love, its only you  
On my mind it's only you  
It's your call, what you wana do  
You gotta be down, you gotta be true  
Show me love, its only you
