

# Anouk, Biggest Side

it's good to see you after all this time  
it's good to know that you are doing fine  
but I can't help but notice in a bar on Friday night  
there is something you should tell me  
but your driver waits outside

[chorus]

you're moving on, you're going to a bigger world  
you're moving on, you're ready for the universe  
it's meaningless to me

'cause you're not here to see  
the bigger side of me

I swear I saw a tear roll down your face  
bet there's a lot of smoke in bars these days  
all I notice is the light that shines upon you from aside  
getting jealous of the coffee in the cup you hold so tight  
chorus

you're moving on to God knows where  
send me a postcard when you're there  
will I remember?

what will I say

"the weather is nice today" ?  
chorus
