

# Anouk, Here Without You(3 Doors Down)

A hundred days has made me older  
since the last time that i saw your pretty face  
a thousand lights had made me colder  
and i don't think i can look at this the same  
and all the miles had seperate  
they disapeared now when i'm dreaming of your face  
Im here without you baby  
but you're still on my lonely mind  
i think about you baby  
and i dream about you all the time  
i'm here without you baby  
but youre still with me in my dreams  
and tonight, it's only you and me  
The miles just keep rollin  
as the people either way to say hello  
i hear this life is overrated  
but i hope that it gets better as we go  
I'm here without you baby  
but you're still on my lonely mind  
I think about you baby  
and i dream about you all the time  
i'm here without you baby  
but you're still with me in my dreams  
and tonight girl it's only you and me  
Everything I know  
and anywhere i go  
it gets hard but it won't take away my love  
and when the last one falls  
when it's all said and done  
it gets hard but it won't take away my love  
Im here without you baby  
but your still on my lonely mind  
I think about you baby  
and I dream about you all the time  
Im here without you baby  
but your still with me in my dreams  
And tonight girl its only you and me  
Im here without you baby  
but your still on my lonely mind  
I think about you baby  
and I dream about you all the time  
Im here without you baby  
but your still with me in my dreams  
but tonight girl its only you and me
