

# Anouk, I Don't Wanna Hurt

We're breaking things we can't repair  
None of us will take the blame  
No nothing can be done this time  
All the memories that we've made  
I threw them all away  
There's no need to talk it over  
Don't let me get you down  
let's just move on  
I am setting you free

'Cause I don't wanna hurt no more  
I don't wanna make you go  
through one more rainy day  
No I don't wanna hurt no more  
Strange enough I always knew  
I'm taking off today  
Don't wanna hurt no more

The darkness you left in my soul  
Do we know how much we've lost  
Will the moon be shining as bright as before  
And as I'm singing this song  
The tears well up in my eyes I will always wonder  
Why I will never have the life I wanted  
Now I'm letting it go

'Cause I don't wanna hurt no more  
No I don't wanna make you go  
through one more rainy day  
No I don't wanna hurt no more  
There's not much more to say  
It's too late now  
I won't hurt no more

So I wait 'till morning comes  
You've made it clear that is has been  
Only pain lovin' me  
Things that we won't do for love  
I am setting you free

'Cause I don't wanna hurt no more  
I don't wanna make you go  
through one more rainy day  
No I don't wanna hurt no more  
Strange enough I always knew  
I'm taking off today  
I am letting you go
