

Anshelle, Go-Girl

Anshelle
Part Of The Game
Go-Girl
soul-shaker
heart-breaker
sexy baby
clever lady

soul-shaker...

they call her love-faker
they call her soul-shaker
and all the boys go mad in town
she is a sexy baby
and she's a clever lady
but most of all she's got the sound

and when she's dancing lazy
going crazy
you have to stay
I know she's gonna hit it - you can't quit it
there's no way out

she will take you before the morning
'cause she's a go-girl and on her way
there is nothing that you can do boy
'cause she's a winner and you will stay

she will take you...

they call her trouble-maker
they call her heart-breaker
and all the girls go mad in town
she is a nasty baby
and she's a dangerous lady
but most of all she's got the sound

and when she's dancing lazy
going crazy
you have to stay
I know she's gonna hit it - you can't quit it
there's no way out

she will take you...

have you ever seen the go-girl
she will take your breath away
do you see her dancing lazy
she's the winner and you will stay

she will take you... soul-shaker...
