All I remember  
Is every little thing you said  
Love sweet and tender  
I'm givin U the best I can

If you need me let me know  
If you want me I'll be right there for you, oh  
If you're searchin' for the one  
Here I tell you I'm gonna wait no more

Whenever you want me, I'll be there  
Whenever you need me, oh yeah  
Whenever you want me, I'll be there  
I'm ready for your love oh oh

Now tell me baby  
The words I'm always waitin
