

Antestor, The Bridge Of Death

Antestor
Miscellaneous
The Bridge Of Death

Weakened By The Things I've Done
Blackened Has My Soul Become
Satan Says He'll Set Me Free
But He's A Loser Just Like Me
The Things I've Done In My Past
It Haunts My Soul And Kills At Last
My Life Is A Path Of Pain
No Light And Laid In Chains
My Effort Contains No Meaning
The Srength I Had - Now Weakening
As Time Passes The Soul Is Screaming
The Wall Of Grief Inside Increasing
Father, I Don't Need These Emotions
Why Won't You Just Stop The Pain
My Heart Has Become Hard As Stone
I've Brought Upon Myself A Wall
Jesus You Fought The Battle For Me
Help Me To See That You Sets Me Free
How Can I Manage To Live
I Don't Receive As Much As I Give
The Dark Side Of An Emotional Soul
Will Not Let This Become His Goal
A Struggle Against The Evil Within,
A Fight Which No Man Can Ever Win
Fooled By The Lie, Of Changing My Destiny
I Fought The Truth, Never To Rest In Peace
Is There A Way, How Can I Pay
Jesus You Fought The Battle For Me
Help Me To See That You Set Me Free
