

# Anthony Wright, Reset To Zero

I'm smiling across my face,  
Like a child, who's been given candy  
Walking like a giant,  
Every step I take defines me  
Ouh... A new life, a new beginning,  
Oh! Here's something with some meaning  
Because you've got to know that girl  
You've stopped me in my tracks now,  
Can't you see that  
You rewind my Life, girl,  
Reset my heart, back to zero  
It's like all the, heartache and pain,  
Has been erased from me now  
Ooh, you rewind my life, girl,  
Reset my heart, back to zero  
And I'm ready to start it over again with you now,  
You now, you now  
First taste of freedom, is like,  
A cool drink on a summers day  
I was lost now I've found,  
My sweet amazing Grace  
Ooh, a new start, a new beginning,  
Ooh At lasts something to believe in  
I got to tell you girl  
There's no turning back, now  
Can't you see that You  
Rewind my life, girl,  
Reset my heart, back to zero  
It's like all the, heartache and pain,  
Has been erased, from me now  
Ouh You rewind my life, girl,  
Reset my heart, back to zero  
And I'm ready to start it,  
Over again, with you now,  
You now, you now  
We've rewound the clock of love,  
I like, were we're started from  
A new page to write our story on,  
Oh because You rewind my life, girl,  
Reset my heart, back to zero  
Ooh, yes the heartache and pain,  
Has been erased, you've taken away from me  
Oh you got me, got me  
You rewind my life, girl,  
Oh baby, you've reset my heart,  
Right back to zero  
And I'm ready to start it, over again,  
You got me, got me, got me
