She Loves Me So

I keep writing myself into rust

Its all around us

Get naked and get into bed right away

I keep writing myself into rust

Make it all seem so much harder

But soon, youll be far away

Just keep your lonely hands in yours pockets

And fold away all your best clothes

Im only really happy if I know

She loves me so

I keep writing myself into rust

Its all around us

Get naked and get in my arms as fast as you can

I keep writing myself into rust

Make it all seem so much harder

But soon, youll be far away

Far away

Keep your lonely eyes to yourself and fold yourself away

Make sure all those mother fucking boys know

She loves me so [X3]
