Slowing Down

Things start slowing down for you and I

It's been a long time a comin'

If you keep holding on to what we've lost

You're gonna drag down the road behind us

I never wanted it to feel like this, to be this way

I'm just afraid that if you stay, we'll never change

I never wanted it to be like this, to feel this way

I'm just afraid that if you stay, you'll hate me

Things start slowing down for and I

It's been a long long long long time

If you keep holding on to what we've lost

You're gonna drag down the road behind us.

I never wanted it to feel like this, to be this way

I'm just afraid that if you stay, we'll never change

I never wanted it to be like this, to feel this way

I'm just afraid that if you stay, you'll hate me.
