

# Anthony Hamilton, Comin' From Where I'm From

Sittin' here guess I didn't make bail  
Got time and a story to tell  
Started when I was nine years old  
Woke up my daddy was gone  
I started hustlin' they couldn't tell me nothin'  
Frontin' in the hood tryin' to be somebody  
My soul was on empty  
I was searchin' for something  
Tried to be good, tried to keep from trouble  
Livin' too fast, tryin' to make good on a hustle  
Sometimes it gets rough  
Comin' from where I'm from, I'm from  
Times got hard  
Comin' from where I'm from, I'm from  
Some times you gotta walk to work, yeah  
Comin' from where I'm from, I'm from  
Sometimes you gotta do a little dirt  
Comin' from where I'm from, I'm from  
Wasn't really lookin' guess I found it  
Five foot three, light brown skin  
Comin' from the university  
Nice style, lookin' kinda lovely  
Didn't know she had much game  
Down to ride out, even take the train  
Even took her to a poker game  
Top notch from fried chicken to sushi  
Tried to be good, tried to treat you like a lady  
Tried to be a friend, turned out that you were shady  
Sometimes it gets lonely  
Comin' from where I'm from, I'm from  
Thangs ain't what they seem to be  
Comin' from where I'm from, I'm from  
Sometimes you get a little angry  
Comin' from where I'm from, I'm from  
Sometimes you get the best of me  
Comin' from where I'm from, I'm from  
Well, tried to be good  
Wanted nothin' but to love somebody  
Didn't wanna die young  
Steady hustlin' tryin' to feed my family  
Too scared to have kids and do like daddy did  
'Cuz I'm so scared to failin'  
Sometimes it gets hard  
Comin' from where I'm from  
Comin' from where I'm, I'm from  
(Sometimes you gotta moan)  
Comin' from where I'm from, I'm from  
(Sometimes you gotta cry a little bit louder)  
Comin' from where I'm from, I'm from  
(Sometimes you gotta fight the pain)  
Comin' from where I'm from, I'm from  
(Sometimes you gotta walk alone)  
Comin' from where I'm from, I'm from  
(Sometimes you get a little worried)  
Comin from where I'm from, I'm from  
(Sometimes you get lost outta touch)  
Comin' from where I'm from, I'm from  
(Sometimes I think I pray a little bit too much)  
Comin' from where I'm from, I'm from  
(Sometimes I get a little scared)  
Comin' from where I'm from, I'm from  
(Sometimes I get a little scared)  
Comin' from where I'm from, I'm from  
(Sometimes I get a little scared)

Comin' from where I'm from, I'm from  
Comin' from where I'm from, I'm from
