

Anthony Hamilton, Her Heart

I had a habit of messing up
Staying out late and getting drunk
I let you down a thousand times
Broken promises
It's like i ran away from you
My career was my excuse
Until i saw you about to drown in your own tears

And as you cried in my arms
You woke up my heart
And i saw again what i found in you
Cuz her heart her heart wont let me lose her
No matter how i try
I just cant say goodbye and lose her

When all the folks were said and done
You were there to welcome me home
I was convicted cuz your love never wavered
I know you love me more than me
And you vowed to love through anything
I never had a kind of love that was forever

And as you cried in my arms
You woke up my heart
And i saw again what i found in you
Cuz her love her love wont let me lose her
No matter how i try
I just cant say goodbye and lose her

Cuz her heart her heart wont let me lose her
No matter how hard i try
I just cant say goodbye and lose her
No matter how hard i try
I just cant say goodbye and lose her
No matter how i try
I just cant say goodbye and lose her
