

# Anthony Hamilton, Ol' Keeper

Talk Intro: I I can't just keep watching you all the time and everything, I mean hey. If you're were mi

Verse 1: You been working on the night shift  
And ain't no telling who you with  
And Everytime that the phone rings  
You be steady scrambling  
Tryna go and do your thing  
There's been talk all over the town  
People tellin' how you putting it down  
Girl when I need you-you're nowhere, nowhere to be found

Hook:  
If I was yo keeper  
I wouldn't never let em' run off with you  
If I was yo keeper  
I wouldn't never let him do the things he do  
I would be up in yo spot all night  
Making sure that you don't leave my sight  
Making sure that we be getting it right  
Until the night is through

Verse 2:  
You're in and out of every fast car  
Sometimes no telling where you are  
I'm not trying to blow up yo thang  
But you need and try to change your ways (change your ways)  
Stop this silly masquerade  
Settle down before its too late  
Before you make me up and blow  
And not come around here no more

Repeat Hook Twice

Now baby, Now baby

Beat Break

Adlib: Go on and change ways-yea, yea  
If I was your keeper  
Alternate Ending Hook:  
If I was yo keeper  
I wouldn't never let you do the things you do  
I would be up in yo spot all night  
Making sure that you don't leave my sight  
Making sure that we be gettin it right  
Until the night is through  
Adlib: If I was yo keeper (if I was yo keeper)

Repeat Alternate Hook

Outro:  
If I was yo keeper  
I'd never let you be alone no no  
I would be up in you spot all night  
Making sure that you be getting it right  
Making sure that you don't leave my sight  
Oh no, oh no

Repeat hook until song fades out
