

# Anthony Hamilton, Since I Seen't You

(Verse 1)

You're 'bout the flyest thang that life could ever bring  
Like fresh air to me the blood I bleed sent to me  
And I want, wanna build with you

(Chorus)

Since I seen't you, we've been peoples, your're my equal  
This love is see through I want to Keep you  
I want to be with you

(Verse 2)

Your're like the softest cloud a virgin in my eye  
An angel just my size  
Wish that I could fall in love with you again  
And I wanna build with you

(Chorus)

Since I seen't you, we've been peoples, your're my equal  
This love is see through I want to Keep you  
I want to be with you

(Post Chorus)

Your conversation is liberating, when we're relating it's a vacation.  
Like recreation, I want my way with you

(Bridge)

Ever since the day you walked into my life  
I've never been the same then and not again  
I hope and pray to God that you stay awhile  
.....with me and....

(Chorus)

(Ad lib out.....)
