

# Anthony Hamilton, The Point Of It All

I can't stay away from you too long  
Even if I do I'll always call  
Checkin' on you make sure you're ok  
Be the one to brighten up your day  
And the point of it all  
Is I love you  
You know I love you baby  
My days seem long whenever we're apart  
It's like someone had thrown away my heart  
You're a major part of my life  
And no matter what the storm may bring  
I'm fine with you,  
And the point of it all  
Is I love you  
And the reason for it all  
Is I love you  
O I love  
O I love you  
O my love  
I can't stay away too long  
I can't stay away from you baby  
Don't wanna be without you  
I need you  
O why don't you stay around for awhile  
And the point of it all  
And the point of it all  
And the point of it all  
And the point of it all  
Ohhohh, and the reason for it all  
And the point of it all  
Is that I love you  
Yeah, I love you  
Whenever we're apart  
It damn near starves my heart  
And I don't ever want to be apart
