

# Anthony Marc, Everything You Do

Anthony Marc

Mended

Everything You Do

I love the way you smile when I look in your eyes

I love the way you laugh when I try to be funny

And how the tears roll down your face

When I say no one could ever take your place

[Chorus:]

Cause baby when you sleep I watch you breathing

Baby when you dream I dream with you

Cause everywhere you are is where I want to be

it's true

Everything you do makes me know how much I love you

The way you touch my lips right after every kiss

And softly whisper that I'm your everything

The way you pray our love won't die

Everynight just before you close your eyes

[Repeat Chorus]

And I believe some things are meant to be

Sure as there is love yours was meant for me

[Repeat Chorus]
