Anthony Marc

Marc Anthony

I Need To Know

They say around the way you've asked for me

there's even talk about you wantin' me

I must admit that's what I wanna hear

But thas jus' talk until you take me there, oh

If it's true don't leave me all alone out here

Wonderin' if you're ever gonna take me there

Tell Me What you're feelin' cuz I need to Know

Girl you gotta let me know which way to go

Cuz I Need to Know

I need to know

Tell Me Babygirl cuz I need to know

I need to know

I need to know

Tell me Babygirl cuz I need to know

My every thought is of this bein' true

It's gettin' harder not to think of you

Girl I'm exactly where I wanna be

The only things I need you here with me, oh
