I Need To Know
They say around the way you've asked for me
there's even talk about you wantin' me
I must admit that's what I wanna hear
But thas jus' talk until you take me there, oh
If it's true don't leave me all alone out here
Wonderin' if you're ever gonna take me there
Tell Me What you're feelin' cuz I need to Know
Girl you gotta let me know which way to go

Cuz I Need to Know I need to know Tell Me Babygirl cuz I need to know I need to know I need to know Tell me Babygirl cuz I need to know

My every thought is of this bein' true It's gettin' harder not to think of you Girl I'm exactly where I wanna be The only things I need you here with me, oh
