

# Anthony Marc, I've Got You

Anthony Marc

Mended

I've Got You

Baby when I think about you

I don't need to think 'cause I just know

That baby it's the way you love me

That makes me so damn sure that your the one

Don't you know that I've waited for you

You are everything I've wanted all my life

Never thought I would find what I need

'Til you came along my dreams seemed so far away

[Chorus:]

I could be with another girl

And I can take a trip all around the world

But why would I go anywhere when I've got you

I could spend my money on fancy clothes

Meet a thousand women doing videos and shows

But baby I'm so glad that I got you

Maybe I just got lucky

'Cause a chance like this don't come along every day

And can we hold on to what we've got

If I ever lost you girl, my whole life would change

You should know that your life gives me strength

And without you I don't know where I would be

It's because of your sould I'm at ease

No matter where I am I'm not alone. eh

[Repeat Chorus]

All that I have

Is nothing when it compares to you

And I can't believe

Hoe your love makes me feel

I'm glad that I've got you

And girl you've got me too

[Repeat Chorus]
