

Anthony Tullo i Grzegorz Wilk, Only She

you know how to sand for yourself
you can be like a threatening line
clear goal that you've got in life
it's all you want
it's everything

i want you with you wonky .
my plan's just lost inside
walk away in a...
take a chance
and win your heart

I chase you into the fire
you're kisses take me higher
please.. I promise take you
to the ground
when I chase you into the fire
you're kisses take me higher
please.. I promise take you
to the ground

gdy z nią stoisz face to face
wypływasz w daleki rejs
jej oczu magiczny blask
kurs wyznaczy zamiast gwiazd

I chase you into the fire
you're kisses take me higher
please.. I promise take you
to the ground
when I chase you into the fire
you're kisses take me higher
please.. I promise take you
to the ground

jedno słowo
jeden uśmiech
jedne dotyk
co rozpali sny
ja wiem
tylko ona
może sprawić że będę chciał żyć

I chase you into the fire
you're kisses take me higher
please.. I promise take you
to the ground
when I chase you into the fire
you're kisses take me higher
please.. I promise take you
to the ground

I never let you down
