

Anthrax, Belly Of The Beast (Live)

She she walked this earth without a heart
You tear the innocent souls apart
You shovel your conscience into the grave
You walk this earth without a heart
Your uniform couldn't be taken off
A tattoo burned into your flesh
Your mind, your voice
These are your instruments of death
How could you dare to be so bold?
You only did as you were told
Marionettes dancing in time
To the apologetic line
For all the monsters of our time
Who is evil, who is blind?
In the name of who you find
A city of souls dying for peace
Welcome to the belly of the beast
One mind, one voice
Welcome to the belly of the beast
Who hears, your voice?
Million, never never again
Madness, never never again
Martyrs, dead they can't die
Monsters
Insanity, the normal state
The left hand a hammer, the right, the stake
Driven so deep into the heart
It's killing love, it's killing faith
It's killing 'cause it's from the heart
What better way to demoralize?
When your own children are your spies
The things you trust are not the same
Trust in death, trust in grief
Trust in hope is trust in pain
Who is evil, who is blind?
In the name of who you find
A city of souls dying for peace
Welcome to the belly of the beast
One mind, one voice
Welcome to the belly of the beast
Who hears, your voice?
Million, never never again
Madness, never never again
Martyrs, dead they can't die
Monsters, oh
Who is evil, who is blind?
In the name of who you find
You're not supposed to question faith
But how do you accept this fate?
Million, you walk this earth and think of a heart
Madness, tear the innocent souls apart
Martyrs, you set your conscience into grave
Monsters
A city of souls dying for peace
Welcome to the belly of the beast
One mind, one voice
This is the belly of the beast
Who hears, your voice?
Inside the belly of the beast
And all the souls dying for peace
Inside the belly of the beast
Million, never never again
Madness, never never again
Martyrs, dead they can't die

Monsters, yeah
Ah yo yo
