Anthrax, Fueled

I'm out to mix it up and change my complexion To coat the feelings and cure my depression A shot of petrol is my bonafide method To lose control and get thorougly distracted

I'm on the money, here I come Fuel for my engine, and I'm gone

I like to forget why I feel this compulsive As I toss tomorrow's dreams in the garbage What's important is a mind that's sicker Turning Jekyll into Hide much quicker

I'm on the money, here I come Fuel for my engine, and I'm gone

1, 2, 3, 4, 1, 2, 3, 4
Kickstart and turn me over
Punchdrunk, but I'm still sober
Fourteen years and a whole lot bolder
And I don't flinch
Hungry and I'll take the best
'Cause I never wanted anything less
What doesn't kill me makes me stronger

It's like a war inside me, I'm good, I'm evil
Two sides of the coin and I've been blessed with both
On one hand I am you, but I don't like you
I guess that's the nature of the way things work

I'm on the money, here I come Fuel for my engine, and I'm gone

1, 2, 3, 4, 1, 2, 3, 4
Kickstart and turn me over
Punchdrunk, but I'm still sober
Bukowski's on my shoulder
With much to think
Hungry and I'll take the best
'Cause I never wanted anything less
What doesn't kill makes me stronger
It's like a war inside me, action is all I know
Tell me it's suicide, tell me something I don't know

I don't know why I've been made some kind of hero When I've done all I can do to prove I'm not It's amazing to think someone could trust me Tell me what do you know about me really? And I you make the mistake of getting close to, Me, you'll just give me all that you've got So I don't know why I've been made some kind of hero When I've done all I can do to prove I'm not

1, 2, 3, 4, 1, 2, 3, 4
Kickstart and turn me over
Punchdrunk, but I'm still sober
Fourteen years and a whole lot bolder
And I don't flinch
Hungry and I'll take the best
'Cause I never wanted anything less
What doesn't kill me makes me stronger

1, 2, 3, 4, 1 I can't close this broken door It's just the nature of the way things work You wanna be me, I don't give a damn Anyone can do it but it takes a man not to Try so hard to give me a real life Anyone can do it but it takes a man not to It's just the nature of the way things work
