

# Anthrax, I'm The Man (Def Uncensored Radio Ve

Yeah

Now we're Anthrax and we take no shit  
And we don't care for writing hits  
The sound you hear is what we like  
I'll steal your pop-tarts like I stole your socks  
Yo man, what's the matter with you?

I'll get it the next time, I mean it  
Charlie, beat the beats, the beats you beat  
The only thing harder is the smell of my feet  
So listen up 'cause you might get dissed  
Go drain the lizard or take a chair

Damn, watch the beat  
I'm on your case, I'm in your face  
Kick you and your father back in place  
Step up sucker, understand  
Don't you know

I'm the man, I'm the man  
I'm so bad I should be in detention  
I'm the man, shut, shut, shut, shut  
Shut up

We've got real def rhythms and fresh new jams  
And ya think we got egos but we're just hams  
Scott plays stick ball and likes to skate  
Frank is never on time he's always sleeping  
Late

They drink the drinks, the drinks they drank  
I put my money in the bank  
They cut their crack, they offer joints  
We don't do drugs, do you get our meaning  
Point, point, watch the beat

I'm on your case, I'm in your face  
Kick you and your father back in place  
Step up sucker, understand  
Don't you know

I'm the man, I'm the man  
I'm bad, I'm so bad I should be in detention  
I'm the man, shut, shut up  
For a heavy metal band raps a different way  
We like to different and not cliché  
They say rap and metal can never mix  
Well all of them can suck our  
Sexual organ located in the lower abdominal area  
No man, it's dick

Master  
Fart the farts, the farts he farted  
I pick my nose 'cause I'm retarded  
Like El Duce says, "Smell my anal vapor  
And wipe my butt with your face

Toilet paper, yo, watch the beat  
I'm on your case, I'm in your face  
Kick you and your father back in place  
Step up sucker, understand  
Don't you know

I'm the man, I'm the man  
I'm bad, I'm so bad I should be in detention  
I'm the man, shut, shut, shut up  
So, as this rap is winding down  
It's plain to see we wear the crown  
You know Anthrax is number one  
But we don't care, we just wanna have a festival  
Fun you stupid, idiot  
Joey mailed the mail, the mail he mailed  
We are the kings that all shout hell  
We're like a diamond that is forever

And will remain the hardest ever  
I'm so bad, it's a crime  
Not
