

# Anthrax, It's Late

(Brian May)

(Scene 1)

You say you love me and I hardly know your name  
And if I say I love you in the candlelight  
There's no one but myself to blame  
But there's something inside that's turning my mind away  
Oh how I could love you, if I could let you stay  
It's late-and I'm bleeding deep inside  
It's late-is it just my sticky pride  
Too late-even now the feeling seems to slip away  
So late-though I'm crying I can't help you but hear you say  
It's late, it's late, it's late but not too late

(Scene 2)

The way you love me is the sweetest love around  
But after all this time, the more I'm trying  
The more I seem to let you down  
Now you tell me you're leaving  
And I just can't believe it's true  
Oh you know that I can love you  
Though you know I can't be true  
Oh you made me love you  
Don't tell me that we're through  
It's late-and it's driving me so mad  
It's late-yes I know but don't try to tell me that it's  
Too late-save our love you can't turn out the light  
So late-I've been wrong but I'll learn to be right  
It's late, it's late, it's late but not too late  
I've been so long  
You've been so long  
We've been so long trying to work it out  
I ain't got long  
You ain't got long  
We've gotta know what this life's all about

(Scene 3)

You're staring at me with suspicion in your eye  
You say what game are you playing?  
What's this that your saying?  
I know that I can't reply  
If I take you tonight  
Is it making my life a lie?  
Oh you made me wonder  
Did I live my life alright  
It's late-but it's time to set me free  
It's late-yes I know but there's no way it has to be  
Too late-so let the fire take our bodies this night  
So late-so let the waters take our guilt in the tide  
It's late, it's late, it's late, it's late  
It's late, it's late, it's late  
It's all too late
