

# Anthrax, Out Of Sight, Out Of Mind

You've got nothing to say  
We can't hear you anyway  
Your unconscious, wake up  
Smell the coffee, catch the next bus  
You don't hear it, not there  
Haven't seen it anywhere  
Ignorance is bliss  
Before you did we exist

Don't even think about anything  
Don't even think about anything  
Tell me something I don't know  
How'd you get this job you own  
I think that..

All you need is a, all you need is a,  
All you need is a, all you need is a face!

Out of sight, out of mind  
It was yours but now it's mine  
Take a riff, take a line  
Out of sight, out of mind  
Don't even think about anything  
Out of sight, out of mind  
You can't see but you're not blind

What's your purpose, in life  
What the hell gives you the right to  
Take what's been done, before  
Change the name and make it yours, Oh  
Yes you made your statement  
do you have to be so blatant  
You're so conscious, image  
With a gun you'd do no damage

don't even think about anything  
Don't even think about anything  
Tell me something I don't know  
How'd you get this job you won  
I think that...

All you need is a, all you need is a  
All you need is a, all you need is a face!

Out of sight, out of mind  
It was yours but now it's mine

Take a riff, take a line  
Our of sight, out of mind  
Don't even think about anything  
Out of sight, out of mind  
You can't see but you're not blind  
Stupid, dumb, idiot, moron, you really make me sick

Take your head out from up your ass  
Right here, right now but it won't last  
No it won't  
Out of sight, out of mind  
It was your but now it's mine  
Take a riff, take a line  
Out of sight, out of mind  
Stupid, dumb, idiot, moron  
Out of sight, out of mind  
You can't see but you're not blind
