

Anti-Flag, Aquality song

This is a song about equality,
If you are never givin the chance,
Then you are never able to show you can succeed
This is a song about equality,
This is a song about equality,
This is a song about equality,
This is a song about equality,
If you are never givin the chance,
Then you are never able to show you can succeed!
This is a song about equality,
If you are never givin the chance,
Then you are never able to show you can succeed! No!
