

# Anti-Flag, Die For Government

You've gotta die, gotta die, gotta die for your government?  
Die for your country? Thats shit!  
You've gotta die, gotta die, gotta die for your government?  
Die for your country? Thats shit!  
There's a gulf war vet, dying a slow, cold death  
And the government says, "we don't know the source of his sickness."  
But don't believe what they say, because your government is lying  
They've done it before and don't you know they'll do it again  
A secret test, government built virus "subject test group: gulf battle field troops"  
You've gotta die, gotta die, gotta die for your government?  
Die for your country? Thats shit!  
You've gotta die, gotta die, gotta die for your government?  
Die for your country? Thats shit!  
First world war veterans slaughtered, by general eisenhower  
You give them your life, they give you a stab in the back  
Radiation, agent orange, tested on U.S souls guinea pigs for western corporations  
I never have, I never will pledge allegiance to their flag you're getting used, you'll end up dead!  
You've gotta die, gotta die, gotta die for your government?  
Die for your country? Thats shit!  
You've gotta die, gotta die, gotta die for your government?  
Die for your country? Thats shit!  
I don't need you to tell me what to do  
And I don't need you to tell me what to be... fuck you!  
I don't need you to tell me what to say  
And I don't need you to tell me what to think!  
What to think! What to think, what to think, what to think, think, think, think!  
You've gotta die, gotta die, gotta die for your government?  
Die for your country? Thats shit!  
You've gotta die, gotta die, gotta die for your government?  
Die for your country? Thats shit!  
You've gotta die, gotta die, gotta die for your government?  
Die for your country? Thats shit!  
You've gotta die, gotta die, die for your country? Thats shit!  
You've gotta die, gotta die, gotta die for your government?  
Die for your country? Thats shit!  
You've gotta die, gotta die, gotta die for your government?  
Die for your country? Thats shit!  
That's shit!
