

Anti-Flag, I'm Feeling Slightly Violent

All right!

I'm feeling slightly violent
I'm feeling slightly pissed
All my dreams in ruins
All my trusts were crushed
You don't even fucking know
What the hell is going on
Now they're gonna take it; tear it up
Ask if there was something wrong

It didn't have to be like this

When I think about what we had
And what you threw away
It hurts me sad and slowly
If anything, you're gonna pay

I don't want to hurt you
I just want you to see
Oh, the fucking agony

We all have a voice
But I guess they're hard to hear
Don't know what to do
Never

Now I feel so alone
I just don't know what to do

Well now it's time to go

In the end all is lost
A little bit left behind
I never wanted to fall apart like that
I never wanted to lose your love.
