

Anti-Flag, You Are Fired (Take This Job)

You're fired.
You stupid f**king piece of shit.
You're fired.
You're nothing but a hypocrite.
You're fired.
Conformist f**king chickenshit.
Douse the dream in kerosene.
You're fired.
You only sing so phones can ring.
You're fired.
Here's something your phone can sing.
You're fired.
f**k this, f**k that, f**k compromising.
Watch it all fall apart.
Murder the beast and feast on the heart.
Watch the industry just fall apart.
Off with the head and the body discard.
