

Anti Nowhere League, Reck a Nowhere

I want some girl to reck it for me
A strong girl to reck it for me
And if she's ugly I don't mind
She has a pom and I want to grind,
I want to grind
I want to grind
And let her reck it for me
My dick is in a terrible state
six inches long, I can't relate
The longer my dick the longer we grind
I have a dick .let me push it your way
Push it your way and let it stay
Let her reck it for me
Don't want to lie and wank in bed
I give my body I give her my head
reckings good but I've have much to see
I have a penis.so let me be,
Let me be, let me be
And let her reck it for me
Recking pom poms is so very nice
Recking pom poms is so my advice
We reck it by night we reck it by day
We reck it too much, were gonna wear it away
Wear it away, wear it away
So let her reck it for me
I want some girl to reck it for me
A strong girl to reck it for me
And if she's ugly I don't mind
She has a pom and I want to grind
I want to grind
I want to grind
Come let her reck it for me
Come let her reck it for me
Come let her reck it for me
I wish she'd reck it for me
