

Anti Nowhere League, We will not rember YOU

Hes a fucked up man with a fucked up life
Two dirty kids and an ugly wife
Standard clothes and a standard car
acceptable ..thats what you are
The only times hes having fun,
is when hes up hes neighbours bum
Kids himself thats hes a man
Hes never happy with the plan
Moans about hes got no class
Because his heads right up his arse
Well we dont like the things you do
And we will not remember you
He tells his kids not to be bad
And grow up like their normal dad
Then he sneaks off down the porny shop
To buy his books and rubber cock
He hides behind his mask of grins
And covers all his fucking sins
Well we dont like the things you do
And we will not remember. You
Your praying to your god above
To repay all you fucking love
But youre the meanest cunt in town
The road in you is fucking down
So dont expect respect from us
You fucked your life up, cant you suss
Well we dont like the things you do
And we will not remember you
Well we dont like the things you do
And we will not remember..you
