

# Antiloop, Purpose In Life (Radio Version)

What is your one purpose in life?  
What is your one purpose in life?  
What is your one purpose in life?  
(To explode, of course)

[Monologue - different speaker:]

And the Lord came down to see the city and the tower which the children of men had builded.  
And the Lord said Behold the people is one and they have all one language and this they begin to confound.  
Go down, let us go down and there confound their language that they may not understand one another.  
So the Lord scattered them abroad from thence upon the face of all the earth and they left off to build the tower.  
Therefore is the name of it called, Babel.
