

# Antioch Arrow, The Puppy Love

Hey! What time was it to preach, what time was it to peak.  
She was found under her house just like a gummy worm,  
Why she was found under her house just like a god damn gummy worm.  
She cried, &quot;You should listen to what you are sayin',&quot;  
But since I wasn't as as I thought, it was hard to remember  
The blood she spilled on the kitchen floor.
