

# Antiskeptik, As Yet Untitled

Antiskeptik

Miscellaneous

As Yet Untitled

Sleeping restless, memories  
from another time and place  
too recent to disown.

A dream is slowly carried  
for the peace of mind to play  
and freedom to resolve.

Trying, aching, fading  
for another life to play  
and feel not so alone.

A tear evaporating  
a breath released to watch  
another pill dissolve.

Be free from this, be free  
Go on and call to Him, Call to Him.  
Be free from this, be free  
Go on and call to Him, Call to Him.

A given reason for peace  
an open mind to taste  
and reason to resolve.  
A taste of healing's release  
another time to feel  
and freedom too...
