Four Seasons

Three million and one new shades of grey  
And the earth will spin and the clouds, and the clouds will fade  
An open glass of milk in the midday sun  
The kids on the street and dad has got his... got his gun

Nothing good as pride and red white, and blue  
W.A.S.P. and nothing less to speak to  
He wants to cull and prune this new crude pack  
And wherever they
