

# Antoine Clamaran, When The Sun Goes Down

Hey  
You don't wanna want to be all night  
When the sun goes down  
Rising through the night  
Coz you make me feel so right  
There's no other lover makes me feel like you do  
Words can't express  
You're so good to be truth  
When the sun goes down  
And there's no one else around  
There's no other lover makes me feel like you do  
Words can't express  
You're so good to be truth  
Rising through the night  
Coz you make me feel so right  
There's no other lover makes me feel like you do  
Words can't express  
You're so good to be truth  
When the sun goes down  
And there's no one else around  
There's no other lover makes me feel like you do  
Words can't express  
You're so good to be truth  
to be truth, to be truth  
only  
to be truth, to be truth  
Only words can't express  
You're so good to be truth  
Rising through the night  
I've been waiting for you  
When the sun goes down  
You just know what to do  
Rising through the night  
Coz you make me feel so right  
There's no other lover makes me feel like you do  
Words can't express  
You're so good to be truth  
When the sun goes down  
And there's no one else around  
There's no other lover makes me feel like you do  
Words can't express  
You're so good to be truth
