

Anton Powers & Rossko, Yellow Brick Road

Down the yellow brick road
Down the yellow brick road
I can feel my heart is breaking
How could You do this to me
I've gave You all of my heart
and You just tore it apart
I must of been too blind to see
I can't stop my hands from shakeing
I need to get You out of my mind
If I just keep on movein on I will make it, baby
It's only just a matter of time
Ref.

I'm gonna walk the beat of the yellow brick road
And let it lead me till in my heart is home
And so I walk alone down the yellow brick road
It's the only place that i know
Down the yellow brick road,baby
Down the yellow brick road
Down the yellow brick road
Down the yellow brick road
I can't stop my hands from shakeing
I need to get You out of my mind
If I just keep on movein on I will make it, baby
It's only just a matter of time
Ref.

I'm gonna walk the beat of the yellow brick road
And let it lead me till in my heart is home
And so I walk alone down the yellow brick road
It's the only place that i know
So won't You still the piece of my yellow brick road
And there's a saying goes there's no place like home
I left my heart somewhere over the rainbow,baby
So I can find the part of gold
Down the yellow brick road,baby
Down the yellow brick road, yeah
Down the yellow brick road
Down the yellow brick road...
