Santa Evita

Antonio Banderas and the choir---Santa Evita

lyrics by Tim Rice, music by Andrew Lloyd Webber

(Children:)

Please, gentle Eva, will you bless a little child?

For I love you, tell Heaven I'm doing my best

I'm praying for you, even though you're already blessed

Please, mother Eva, will you look upon me as your own?

Make me special, be my angel

Be my everything wonderful perfect and true

And I'll try to be exactly like you

Please, holy Eva, will you feed a hungry child?

For I love you, tell Heaven I'm doing my best

I'm praying for you, even though you're already blessed

Please, mother Eva, will you feed a hungry child?

For I love you

I'm praying for you, even though you're already blessed

(Workers:)

Santa Santa Evita

Madre de todos los ninos

De los tiranizados, de los descamisados

De los trabajadores, de la Argentina
