Antonio Carlos Jobim, Meditation

In my loneliness When you're gone and I'm all by myself And I need your caress I just think of you And the thought of you holding me near Makes my loneliness soon disappear Though you're far away I have only to close my eyes And you are back to stay I just close my eyes And the sadness that missing you brings Soon is gone and this heart of mine sings Yes I love you so And that for me is all I need to know I will wait for you Til the sun falls from out of the sky For what else can I do I will wait for you meditating How sweet life will be When you come back to me
