

# Antonio Carlos Jobim, She's A Carioca

Here she comes  
Here she comes

Here she comes  
Here she comes

Ela carioca  
She's a carioca  
Just see the way she walks  
Nobody else can be  
What she is to me  
I look and what do I see  
When I look deep in her eyes  
I can see the sea  
A forgotten road  
The caressing skies  
And not only that I'm in love  
With her  
The most exciting way  
It's written on my lips  
Where her kisses stay  
She smiles and all of a sudden  
The world is smiling for me,  
And you know what else she's a carioca  
Ela carioca

Here she comes  
Here she comes

Ela carioca  
Ela carioca,  
Basta o jeitinho dela andar  
E nenhum tem carinho assim,  
Para dar.

Eu vejo na luz dos seus olhos  
As noites do frio ao luar  
Eu vejo a mesma luz,  
Vejo o mesmo c,  
Vejo o mesmo mar.

And not only that I'm in love  
With her  
The most exciting way  
It's written on my lips  
Where her kisses stay  
She smiles and all of a sudden  
The world is smiling for me,  
And you know what else she's a carioca  
Ela carioca

Here she comes  
Here she comes  
Here she comes  
Here she comes

Here she comes  
Here she comes  
Here she comes  
Here she comes
