

Antonio Carlos Jobim, Someone To Light Up My

(by To Jobim & [[Vincius De Moraes]],
english lyrics by Gene Lees)

Go on your way with a cloudless blue sky above
May all your days be a wonderful song of love
Open your arms and sing of all the hidden hopes you're ever treasured
And live out your life in peace
Where shall I look for the love to replace you?

Someone to light up my life
Someone with strange little ways
Eyes like a blue autumn haze
Someone with your laughing style

And a smile that I know will keep haunting me endlessly
Sometimes in stars or the swift flight of sea-birds
I catch a moment of you
That's why I walk all alone
Searching for something unknown
Searching for something or someone to light up my life

That's why I walk all alone
Searching for something unknown
Searching for something or someone to light up my life
